implementation of the project, a Foreign Investment Implementation Authority comprising representatives from various departments and State Governments etc., is also functioning.

(d) The inflows of foreign investment are dependant upon various factors, which include domestic economic conditions, policy regime governing foreign investments, world economic trends and strategy of global investors. The inflow of funds particularly in large projects in sectors like Power, Telecom, Infrastructure, etc., where the gestation period is long normally takes place in phased manner depending upon the fund requirement.

Complaints against Petrol Pumps in Bihar

†*93. PROF. RAM DEO BHANDARY: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the details of the petrol pumps including their names and addresses in Bihar, against which the complaints have been received in the past six months; and
